CARRERAS PARA BILINGUES

A practical and exciting multimedia program, in both English and Spanish, that acquaints students with career opportunities in which being bilingual and bicultural is a definite asset.

In lively, on-the-job interviews, workers discuss how their cultural heritage and ability to function in both English and Spanish helped them to find rewarding employment and advance in their jobs.

CAREERS FOR BILINGUALS multimedia kits tell about bilingual job opportunities, how to find them and what they are like. Students learn about job requirements, advancement, growth, working conditions and career rewards for bilinguals in these fields...

IF WE PUBLISH IT...

IT HELPS

That's our motto. For ten years now we've been publishing materials that are used all across America by Spanish teachers at any level...

Let's begin with this CSP DIRECTORY. Many teachers and librarians tell us we should be very proud of it. Humbly, we are...

But we also publish the SPANISH POSTER SERVICE, posters on subscription basis; EL NUEVO AMIGO, TEMAS, and SUMMER FUN EN ESPAÑOL, workbooks for Spanish students, and SPANISH TODAY Magazine, the most important professional publication in our field.

Furthermore, we've developed ¿SABE USTED? a sensational game for the entire Spanish class, and distribute a great deal of Spanish materials: textbooks, supplementary readings, dictionaries, bilingual programs, slide-books, and more. As a matter of fact our newest catalog is full of useful publications and materials...

So if you are a Spanish teacher and could use some help in your job, mail us today a letter or post card requesting this catalog. You'll be pleasantly surprised.

We are always glad to be of help.
